Balance:	\$12,674.39

### Baseball & Softball

Baseball received 2 extra games and the possibility of 1 more. We also paid for the umpires for the Fall Classic.

Softball received 2 games and a tournament.

Mr. Spain told me that if we are able to maintain money in the booster club account, then the board & administration will consider a full schedule for baseball & softball next year. The decision will be made in March 2011.

### Girls & Boys Basketball & Volleyball

We have raised enough money that we will be able to provide a full schedule for girls & boys basketball & volleyball. Mr. Spain is currently trying to schedule as many games as possible that were lost.

### 5<sup>th</sup> & 6<sup>th</sup> Grade Basketball

The money that is being raised now is hopefully going towards the 5<sup>th</sup> & 6<sup>th</sup> grade basketball. The decision will be made if there will be a program for them and how it will be handled in November.

### **Closing**

After the informational part of the meeting, parents still showed concerns about getting all of the sports back. Stacey told them that she planned on staying in contact with the administration and would be attending the board meeting to stay on top of things. She told the parents that if they weren't happy with those answers that they should attend the board meeting with her or contact the administration.

Stacey encourage everyone that attended to please help them to get other people involved and that they were still accepting memberships and apparel orders.

Stacey thanked everyone for coming and would let them know when the next meeting would be.
