Current Fall Fundraiser was discussed. The fundraiser ends on Monday, Oct 19, with orders and money due then. Money will be collected by Julie Bonner, with Karen Clark checking for any orders turned in after Monday.

We will be counting the money on Friday, Oct 23 starting at 11:30. All order information will be completed on this day.

The Fundraiser "award" will be a Fun Day at school. This is scheduled for the week of Thanksgiving at each school. PTO has already reserved the bounce which will be set up in the gym.

Teacher Requests:

Shelly Clark requested PTO to pay for a subscription to a website which is used as a resource for worksheets and lesson items. Cost is \$39.98 per year. Request approved.

Diane Cross requested PTO to pay for a defibrillator for the Jr High School. Cost is approx \$1500. Request not approved.

Jenny Sadler requested PTO to buy 5 basketballs for the Girls Basketball Team. Cost is approx \$100. Request approved.

PTO finances were presented. PTO currently has \$2838 in the bank account. PTO has a 60,930 point balance in Campbell's Soup Labels.

Update on proposed Kroger fundraiser. We have presented the fundraiser to the district, but have not received approval as yet. PTO was planning on selling the Kroger cards at the Parent-Teacher conferences, but this will likely not be possible. Another selling suggestion was mentioned, which was to sell the cards in front of Kroger. PTO would need to get permission from Kroger to proceed with this plan. Also it was discussed that PTO would need to provide a guide to the supporters purchasing the card, to ensure they understand the 'recharge' process.

Kathy Stegle mentioned that Lincoln school would be having a Scholastic Book Fair during the Parent Teacher Conferences. The book fair will be in the hallway outside the Reading Room. The Reading Room teachers are asking the grade-level teachers to pick out 5 books they would like for their classroom, so that parents may purchase books for the classroom if they wish, as well as purchase books for their child.

The turkey fundraiser was discussed; turkey sells will be next month. Amy confirmed that we will be using the same BBQ providers as last year. Amy has the order form, and Denise Henry volunteered to help with either distributing or collecting the order forms.

Box Tops were collected from the Jr High last week, and over 1800 were turned in. Jenny Sadler volunteered some of the kids in her studyhall class to count and separate the box tops after the next collection. Also, Karen will contact Tamera Mucher to see if the Beta Club would be willing to also help count and sort them. Amy will be collecting the box tops from Lincoln this week.

The PTO survey was not distributed to all students, as several of the PTO attendees had not received the survey from school. Amy/Paige will get a copy to Karen to be scanned. The scanned survey will be added to the documents on the PTO page of the district website, and will also be emailed to the PTO Teacher Contact for each grade level to be distributed.

Winners of the teacher incentive for this meeting were Jenny Sadler, Jenny Cunningham and Kathy Stegle
